Dear Parents:

Federal law requires that each school district receiving Title 1 funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?
- If there are instructional aides working with my child, what are their qualifications?

To request the state qualifications for your child's teacher or instructional aide, please contact Angela Lords at 208-529-6570.

Respectfully,

Mrs. Hurst
